Question 1 - Likert Scale

How easy were the tasks?

9 out of 9 answered

🙁 - Very Difficult		0% (0) responses
🙁		0% (0) responses
😐		0% (0) responses
🙂		67% (6) responses
🙂 - Very Easy		34% (3) responses

Question 2 - Short Text

Could you describe more of what went well/wrong?

9 out of 9 answered

navigation is a little bit challenging,

I didn't notice the exporting of sales button at first but after scrolling down a bit, I found it

good

Clear designs, very nice to see
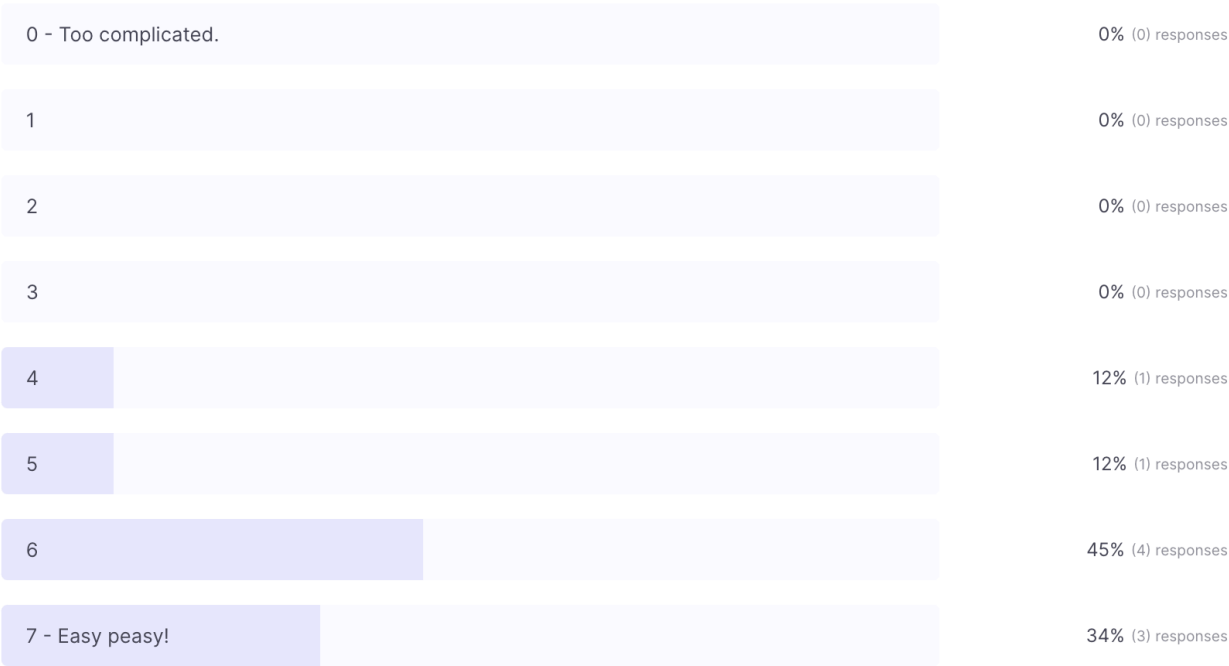

Good overview

Clear

menu tabs are reduced, which i think is a good, avoided troubles of scrolling too much.

well made layouts, design is very clean, but very standard.. maybe make it more personalized?

Question 3 - Opinion Scale
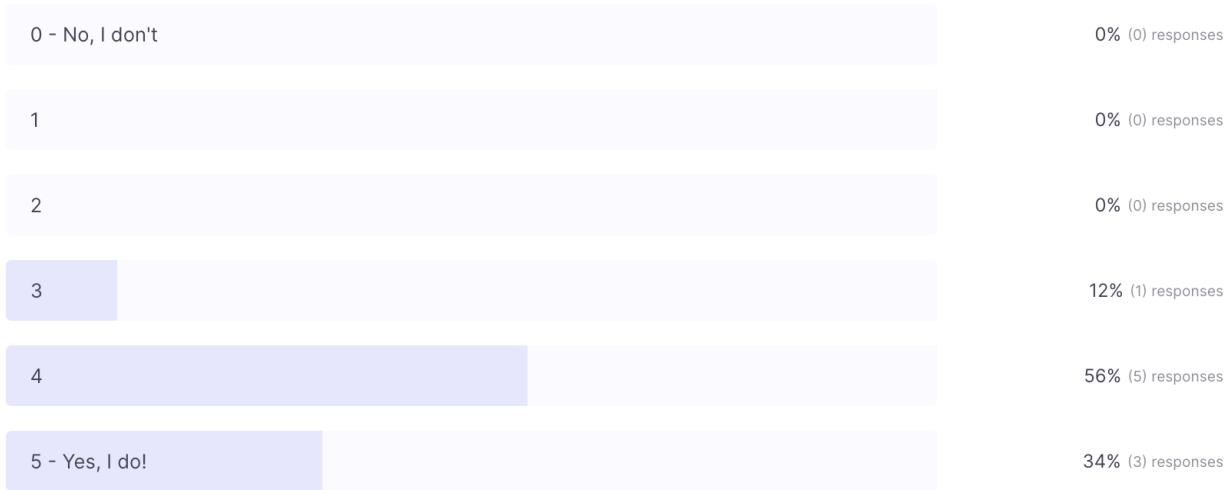

Was it easy to navigate and interact?

9 out of 9 answered

0 - Too complicated.	0% (0) responses
1	0% (0) responses
2	0% (0) responses
3	0% (0) responses
4	12% (1) responses
5	12% (1) responses
6	45% (4) responses
7 - Easy peasy!	34% (3) responses

Question 4 - Opinion Scale

Do you see yourself being able to utilize this platform for your restaurant/business?

9 out of 9 answered

0 - No, I don't	0% (0) responses
1	0% (0) responses
2	0% (0) responses
3	12% (1) responses
4	56% (5) responses
5 - Yes, I do!	34% (3) responses

Question 5 - Short Text

What would you improve/add-on within this application?

8 out of 9 answered

add more features to see other stuff

good

show us more features available

more features

maybe add integrations with existing POS systems, but i think its a well thought of concept

Good mvp

Question 6 - Likert Scale

How likely are you going to recommend this product to others?

9 out of 9 answered

🙁 - Very unlikely		0% (0) responses
🙁		0% (0) responses
😐		0% (0) responses
🙂		12% (1) responses
🙂 - Very likely		89% (8) responses
